

MORONI'S QUEST...

A JOURNEY THROUGH THE BOOK OF MORMON

WOODS CROSS NORTH STAKE

YOUTH CONFERENCE 2023

What exactly IS a Book of Mormon Quest?

It is a journey into the wilderness where we will camp for 4 nights and 5 days and have an interactive Book of Mormon experience. We will bring stories from the Book of Mormon to life and learn how they apply to our lives today. This youth conference will be interactive and filled with Book of Mormon re-enactments, battles, games, great food and lots of fun! These few days spent together will strengthen our relationships with God, our Savior Jesus Christ, our knowledge of the Book of Mormon, and our friendships with each other.

A Book of Mormon tribal outfit! You may have heard these referred to as "costumes"! But don't worry it's not that formal! You can wear a tunic style tribal outfit over your t-shirt and shorts or pants! You can even wear a big oversize T-shirt with a belt to look like a tunic! Be creative! On YouTube search for Nephite Fashion Guide for some fun videos with ideas and examples!

Will There Be a Lot of Walking Involved?

No! Many people have asked if it is like Pioneer Trek, where we “trek” to our campsite and the answer is NO! We will arrive at camp and set up our campsites! There will be no “trekking to get to our destination! There may be short hikes for activities but nothing difficult

Will I be with my ward during Youth Conference?

All youth and leaders attending will be together as a ward in their ward campsite for sleeping arrangements and time together each evening. Wards are responsible for providing their own tents

YOUTH ATTENDING: During the day all youth attending will be put into Tribe Families. Each Tribe family consists of a couple who has been called by the Stake Presidency to be a “Tribe Leader” and 10 or so youth who are assigned to be a part of that tribe. Tribe assignments are not by ward and will be a combination of youth from each ward in the stake! Each tribe has their own individual tribe name, tribe color, and will create their own individual tribe flag and motto!

BISHOPRICS/YW PRESIDENTS/AND WARD LEADERS ATTENDING: You will not be a part of a tribe family and will be given assignments to help out the stake during the day! In the evening, you will be with all the youth from your ward for ward time!

Each tribe will be assigned a story from the Book of Mormon that they will re-enact. All tribe members will be involved in the creative planning of how they will share their assigned story. Guidelines and suggestions will be provided to each tribe with their assigned story but the real goal is to remember that each tribe is not "acting" out a story but teaching a gospel principle. Each tribe is encouraged to be creative, have FUN, and share their talents. Costumes and props will be provided by the Stake to help each tribe with their re-enactment
